Founded in 2007, the Friends of the National World War II Memorial (Friends) is a 501(c)(3) organization dedicated to honoring and preserving the national memory of World War II and to creating the next "Greatest Generation" of tomorrow. To meet this mission, Friends sponsors an annual public lecture series featuring prominent historians; hosts an annual teachers conference in Washington, DC; and collects and archives video interviews of World War II veterans and other members of the Greatest Generation. Additionally, Friends has the lead responsibility in planning, staging, and funding five or more major national commemorative events annually and is currently sponsoring a national four-year World War II 75th anniversary commemoration. Friends relies on private support to breathe new life into the Memorial and to ensure that it continues to serve as a living lesson for all Americans.
